| Manufactu Orga Human or ani processing, p The organism Yes | media used for its processing materials (for chemical or tring Process in Enzymal material was used or capurification, and storage. | g, purification, and/or storal igin) or organism (and relevant rel | Yes evant health information, if a Other, Specify: Inorganic duct or equipment, reagents of the specify: Inorganic for the specify: Inorganic | pplicable): chemical synthesis s, or media used for its | |

General Declaration:

To the present state of our knowledge we declare the above CII product does not contain any BSE / TSE AGENT. This declaration is given in good faith and no warranty express or implied with respect to quality and properties is made.
